

BLACK OAK CASINO – TUOLUMNE CITY

Shuttle bus will come to Aladdin Motel, take you to the Casino where you can have an evening of fun. There are several areas where you can get a variety of foods. Having dinner at the Seven Sisters Restaurant is an experience, but there are several other choices, such as the Sports Bar, Buffet room & even a hamburger/hotdog area. All are excellent! After dinner (or not) those that like to bowl, there are some great package deals you might like to look into at their 21 lane alley. There is a lounge that puts on some good shows, some are free, others there is a nominal fee depending who the entertainer is. There is a website you can go to closer to the time of Council and find out what the entertainment is. It is www.blackoakcasino.com. Of course there are lots of machines and table card games to take part in. There are some incentives that are being offered by the Casino to those who go, such as cash to gamble with.

SIERRA REPRATORY THEATRE

We have 3 live theatres, but this one has the best all around seating, in our opinion. It is located just a short distance from the Aladdin. The play the evening of the 14th is a good one. It is titled “The Marvelous Wonderettes” and is a good musical with 50’s & 60’s type music. See attached flyer to order tickets and more info on the play.

17th ANNUAL SONORA BLUES FESTIVAL

This is being held at our local County Fairgrounds and is very popular with people from all over the area and state. There are a number of well known artists that will be performing along with a lot of other activity such as crafts & food booths. See attached flyer for more details.

TOWNS OF COLUMBIA AND JAMESTOWN

Columbia is a State Historic Park with Gold Rush Era shops and restaurants. It is approximately 3 miles from Sonora to the North.

Jamestown is also a State Historic Park with a Railroad Museum, lots of antique shops and some excellent restaurants. The location is about 3 miles to the South.

We will be glad to expand on these two towns if you want more information. Just call or e-mail us at 209-532-4358 or morgado@mlode.com
