## Key Insurance Changes for 2019

1. You no longer have to list specific dates and rooms on your Request for Certificate. You are automatically covered for the entire year for the entire facility.
2. There is now a space on some forms for your club's 2019 USDA number.

This number can be found in the file name of the electronic copy of your 2019 insurance certificate (e.g. *USDA410 Cowtown Singles*) or.....

the top left line of your hard copy insurance certificate from Markel (e.g. Certificate Number: USDA 410)

3. All Insurance forms, handbooks, brochures, and FAQ's are now posted on the CASDC website.
4. Please send all California insurance transactions to:
